Quality Stainless Steel Products, Since 1959

Western Fabricating Co, Inc. was started in 1959 in Franklin Park Illinois by the Schreiber/Hlavin Partnership, primarily as a metal fabricator of weldments and sheet metal products.

Today, Western Fabricating LLC, is an Architectural Stainless Steel Sheet Metal Fabricator, now located in Florida, where the youngest Schreiber grandson continues the business heritage and tradition of quality people, machinery and finished product, as We ship throughout the United States including Hawaii and Alaska, as well as to Puerto Rico, the Caribbean and Canada.

Western Fabricating, LLC
17061 Alico Commerce Court #104
Fort Myers, FL 33967 USA.

For assistance contact us by live chat, phone 239-405-7214 or send an email to sales@westernfabricating.com

Monday thru Friday 9:00AM to 5:00PM Eastern Time.
